

SP22 Groundwater Sampler

- Discrete Groundwater Sampling
- Groundwater Profiling w/ DT22
- Stainless Steel and PVC Screen Options
- **DURABLE....!**

SP22 Stainless Steel and PVC Screens
 Available in 12- and 48 in. lengths
 *Shown with Screen Head

The versatile SP22 groundwater sampler can be used in a traditional drive and deploy manner for groundwater grab samples or in conjunction with the DT22 soil sampling system to provide profiling methods of soil and groundwater.

2.25 Point Holder for 2.25 Exp Point
 -(33764) SP22 Exp Point Holder (2.25 PT)
 -(AT2015) 2.25 Exp Point

2.25 Point Holder for GW1555 point
 -(43128) SP22 Exp Point Holder (GW1555 PT)
 -(GW1555K) SP Exp Point (box 25)

SP22 PVC Screen Options

- (38664) SP22 Screen PVC 3/4" x 48" Pkg of (2)
- (38667) SP22 Screen PVC 3/4" x 12" Pkg of (2)
- (38657) Screen Head Adpt. 3/4" x 1.25" (for PVC Screens 38664 & 38667)
- (37871) SP22 PVC Screen Head Adpt. (For use with standard 3/4" threaded riser and screens)

SP22 SS Screen Options

- (37894) SP22 SS Screen Asm 48"
- (38247) SP22 SS Screen Asm 12"

#38657

#37871

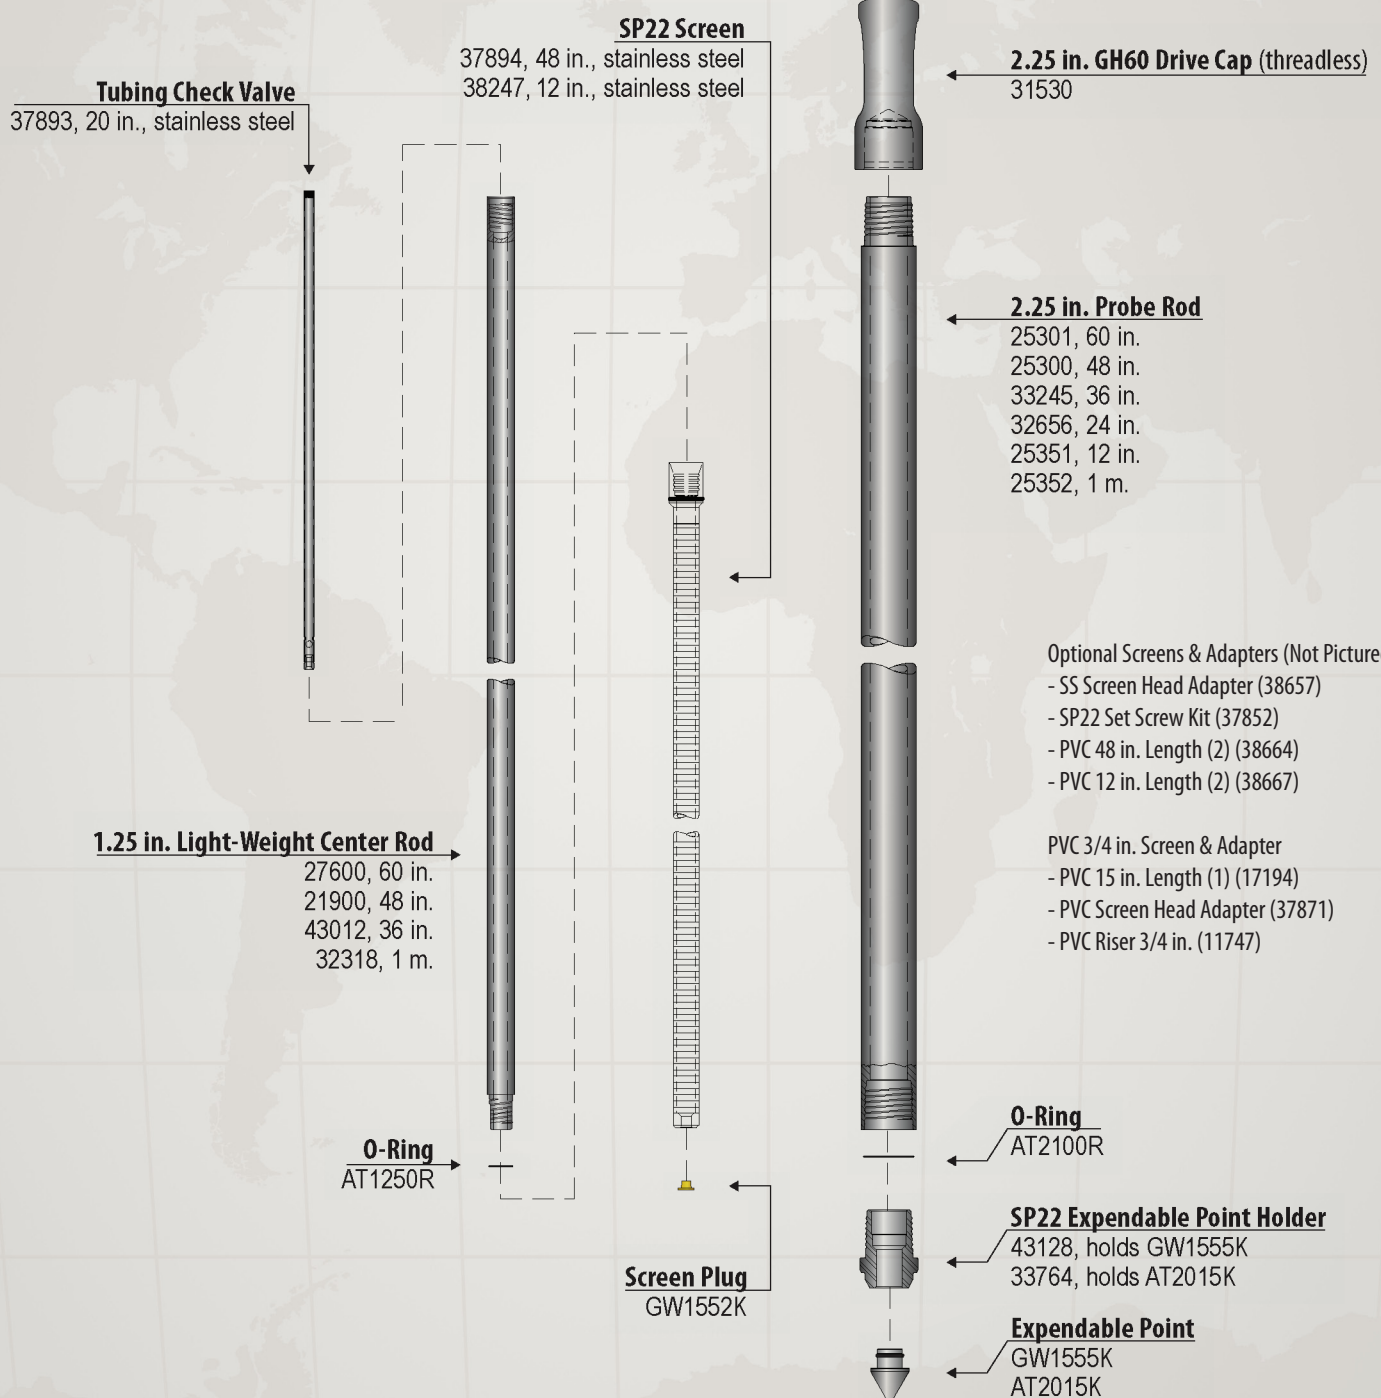

"Our clients are very satisfied with this new sampler. We're pretty tough on tooling in this area because of the cobbles and gravels. We used 2.25 in. casing to sample to 126 feet, and had no sand in our samples. We plan to buy more!"

Ryan Galbreth, Operations Manager

TOOL STRING DIAGRAM

SP22 Recommended Parts Not Shown

- SP22 O-ring Service Kit (37852)
- 3/8 in. Tubing Check Valve (37893)
(Use when deploying LtWt Center Rods)
- 3/8 in. Tubing Check Valve (GW4210)
(Use when deploying 3/4 in. PVC Riser)
- 2.25 in. RG Handle GH40 (29461)
- 2.25 in. RG Handle GH60 (29385)

Optional Screens & Adapters (Not Pictured)

- SS Screen Head Adapter (38657)
- SP22 Set Screw Kit (37852)
- PVC 48 in. Length (2) (38664)
- PVC 12 in. Length (2) (38667)

PVC 3/4 in. Screen & Adapter

- PVC 15 in. Length (1) (17194)
- PVC Screen Head Adapter (37871)
- PVC Riser 3/4 in. (11747)
